Dear Sir,

Subject: Letter of Appreciation

The success of any event is seen in the results it achieved and the people it reached. In that sense, the webinar organized by the Malaysian Business Council represented by Ms. Suzaan Siew Hua and sponsored by Litwins on 'Receivables Management Service Through Litigation Funding' was a great success.

The event was organized in a very professional and efficient manner with close to 40,000 viewers on the webinar posted online as on 12th April 2021 and the webinar brought in various interested parties and potential clients to Litwins.

We congratulate and thank Ms. Suzaan and the team for coordinating with us in making this webinar a valuable opportunity to connect with a global audience.

With Best Regards,

Rajiv Shah
